Dear Friends,

We are pleased to invite your business/organization to become a Sponsor of the Common Threads North 2023 Awards Dinner. By sponsoring this unique event highlighting the service of women throughout Northern California, you will effectively align yourself as a proud supporter of agriculture, philanthropy and your community.

We are excited to host the **2023 Common Threads North Awards Dinner on Wednesday, April 5, 2023 at Hotel Winters in Winters, California.**

Join us in celebrating the 2023 Common Threads North Honorees. Geri Byrne of Tulelake (Modoc County), Bonnie Fernandez-Fenaroli of Woodland (Yolo County), Bobbin Mulvaney of Sacramento (Sacramento County), Audrey Z. Tennis of Chico (Butte County), Linda Walker of Los Molinos (Tehama County), and Sharron Zoller of Kelseyville (Lake County).

We invite you to join us in honoring these extraordinary women who have deep roots in agriculture and who have chosen to make a difference in their communities through their contribution of time, talent and service. We are hopeful that you will consider a sponsorship of the Common Threads North Awards Dinner, an annual event that draws more than 150 leaders in the fields of agriculture, agribusiness and community service. Proceeds from this event are used to coordinate the Common Threads North program.

Sponsorship levels are included in the following pages. Common Threads North is a program of the Butte Ag Foundation, a California 501(c)3 non-profit organization. Your sponsorship may be tax-deductible as a charitable contribution. If you would like more information, please contact Colleen Cecil at (530) 533-1473 or email colleen@buttefarmbureau.com.

About Us

In 1997, the California Agricultural Leadership Foundation joined with the College of Agricultural Science and Technology and the Ag One Foundation, both at California State University, Fresno, to honor women in agriculture who have chosen to make a major philanthropic difference in their communities and our world. The Common Threads Award recognizes individuals whose exemplary and extraordinary contribution of time, energy and resources has enhanced those around them.

In 2003, a second Common Threads awards program was initiated in conjunction with the College of Agricultural and Environmental Sciences at the University of California, Davis, to expand and develop the mission of the original endeavor. While each program maintains specific and unique geographic criteria, the overall award qualifications are the same. Nominees should have past or present roots in agriculture and have shown outstanding involvement within the industry, as well as have made a difference through their charitable giving and volunteerism.

Common Threads North is a program of the Butte Agriculture Foundation, a 501(c)3 nonprofit organization.
